

DMR ADVENTURES

YAS! 2026–27 Registration/Pricing Information

We're excited to open registration for the 2026–27 YAS! school year!

After intentionally keeping pricing consistent for the past several years, we've made adjustments for the upcoming year to reflect increased staffing, transportation, and operational costs. These updates allow us to continue providing a high-quality, consistent experience for students and families.

YAS! is not a traditional afterschool program; it is a performing and visual arts-based program that includes daily instruction, structured programming, and transportation options from area schools. Our pricing reflects the resources required to deliver that experience consistently and safely.

Registration Structure (Updated for 2026–27)

This year, we are simplifying registration for our full-time families:

Full-Time Registration (Primary Option)

Students will register in one place for **Full-Time YAS!**, which includes a discounted daily rate.

We have carefully reviewed both the Charlottesville City Schools and Albemarle County Public Schools calendars and are now able to offer **the same number of YAS! days to both groups of families**. While the specific days may differ slightly between the two calendars, we're excited to now offer a **full-time option for Albemarle families that more closely aligns with their actual school schedule than in previous years**. You will still register via different links, depending on your school district. [Click here for the YAS! Calendars](#).

Daily Registration

A daily option will still be available for families who need flexibility, and can't commit to five days a week. However, **full-time registration is the most cost-effective option** and allows students to get the most out of the program.

Pricing

Base Program Rates - \$45/day standard rate

Full-Time Discount - \$39/day for students enrolled full-time for the academic year

Daily Committed Rate - \$42/day for students enrolled the entire year (but not 5 days a week)

Important:

If you make changes after the program begins (such as reducing days or moving from full-time to daily), your registration will be adjusted retroactively to the full base rate.

Transportation

Transportation is one of the most complex and resource-intensive parts of our program. Due to increased fuel, maintenance, and staffing costs, pricing has been adjusted to better reflect actual operating costs.

Transportation Rates

- **\$15/day** standard rate
- **\$12.50/day** full-time rate
- **\$14/day** daily committed rate
- **\$6/day** “walking bus” from Summit (no change)

If your child needs a booster, please provide one during the open house, and pick up on the last day.

Registration Platform

We will continue using **ACTIVE** for registration. ACTIVE is an industry-standard platform that meets strict security and PCI compliance requirements.

ACTIVE:

- supports payment plans
- streamlines communication
- reduces administrative complexity
- provides families with access to schedules and financial statements

Our sign-in and sign-out system also takes place through ACTIVE, allowing for more accurate and consistent record-keeping.

Please note: Processing fees are set by ACTIVE, are non-refundable, and cannot be waived.

Snacks

- Students must bring a labeled water bottle
- Families may provide snacks OR sign up for a yearly snack option

If a student does not have snacks, emergency snacks will be provided and billed at:

- **\$5/day (covers two snacks)**

Students may not share snacks.

Scholarships & Financial Support

We remain committed to accessibility. At registration, families may select:

- **10% off** if full price is a stretch
- **20% off** if additional support is needed

If more support is needed, a scholarship application is available at <https://www.dmradventures.com/scholarship>

If you need a payment plan other than the ones available on ACTIVE, please reach out - we're happy to work with you to create a payment plan that works for you.

Transportation Capacity

- Transportation is limited and must be approved in advance.
- We will prioritize current YAS! families (2025–26), unless your student is moving to a school we have not previously serviced.
- We strongly encourage you to confirm transportation availability before registering, as transportation cannot be added once routes are full.
- Please note that deposits and processing fees are non-refundable if transportation is requested but unavailable at the time of registration.

YAS! Student Benefits

YAS! students will continue to receive:

- significant discounts on Drama Day Camps
- free enrollment in any DMR Adventures classes that take place during their registered YAS! days and hours (classes that begin after 2:30 PM and end by 5:30 PM)

Students are welcome to enroll in additional DMR classes outside of their YAS! schedule; however, those classes will be billed at the standard rate.

This allows students to further customize their experience and take advantage of additional training opportunities throughout the week.

Final Note

We care deeply about the experience your child has at YAS! – from the moment they arrive to the moment they head home. These updates allow us to continue supporting our staff, running safe and reliable transportation, and creating a program where students can grow, create, and feel like they belong.

We're truly grateful to be part of your child's day and their journey.

2026-27 School Days Off/YAS! Calendar for Charlottesville City Schools (CCS)
YAS! Begins on Monday, August 17, 2026
